

# Verdun Outscores Orleans for ComZ Crown

PARIS—Greater team strength gave the Falcons enough margin for victory after Verdun and Orleans individual races battled to a near standstill as the Falcons ended the two-year reign of Orleans as ComZ track kingspins in the regional meet Saturday.

Verdun needed the top efforts of Ron Boles and Dee Rishbarger to offset the work of Trojans Steve Jones and Steve Kehoe in the battle of individual aces.

Verdun's greater balance then showed through as the Falcons picked up both relay victories on the way to copping nine first places for a 62 1/2-point total.

Defending champion Orleans was second with 41 1/2. Paris took third at 26, Pottiers had 19, Dreux 8 and Chateauroux 3.

Cold weather and sporadic showers kept performances down below the expected level in several instances, but Rishbarger's 20.5 low hurdle achievement was a new standard temporarily. It turned out later that the old mark of 20.6 also had been eclipsed at Frankfurt by Buddy Carroll at 20.2.

In the 1,500-meter run, favored Jim Woods of Paris took off on an overambitious first 800 meters and was far out in front in a

new ComZ record, one of five such established during the meet. London's Bushy Park squad also competed on a qualification-only basis, their efforts not counting in the placing for ComZ athletes.

Nonetheless, Dennis Harder tossed the discus 148 feet, 10 inches, to set a new high school mark for Europe and gain him entry to the finals next week at Nurnberg as the favorite in the ring.

Although counting only as unofficial places, other Bushy Park athletes to qualify for the finals were Harper, Danielson, and Gann in the high hurdles, Freeman in the low hurdles, Ross in the 100-meters, and discus, both relay teams, Ross and Harder in the shot-put, Audiss in the pole vault, and Watterson and Freeman in the broad jump.

The only unofficial Bushy Park winners other than Harder in the discus were Rudy Smith in the 1,500 at 4:33.0 and Jack Audiss in the vault at 10 feet, 9 1/4 inches. Lakenheath did not send a squad to the ComZ regional, thus presumably forfeiting all entries in the final meet.

Meanwhile, several eager Paris partisans grabbed Woods and attempted to cart him across, causing confusion among the rest of the pack who either hurdled the melee or skirted it. As a result, no fourth place finisher was spotted by the judges.
